CONGRATS!

THANK YOU SO MUCH FOR YOUR INTEREST IN GLOW
MEDIA'S SEASONAL MICRO WEDDING DAY!

Congrats - You're engaged! now what?

If you are looking for a stress free elopement, look no further! I have put together a day of small ceremonies for 4 lucky couples. This is perfect for a budget bride who is looking for something quick, intimate and memorable.

Our ceremony space will be setup to hold a max of 40 people, and is taking place in this beautiful back country barn. Your venue time will be captured on photo by Andrea Connolly and you will then have your family and couples photo shoot at the apple orchard on the property. From yummy food to fun reception add ons - we will make sure this is definitely a party to remember.

I was so excited to plan something with some of my favourite vendors - and this is the perfect option for an easy going planned wedding!

We cannot wait to make your day so special.
